Lio Collection

ABOUT US

Welcome to the world of Lio Collection. Based in Bali, Indonesia, we offer a wide assortment of beautiful furniture and interior products, catering to both retailers and wholesalers. Lio Collection is the life work of Greek-born entrepreneur Christos Vassilios Liokouras and his Danish wife Charlotte Nielsen. By pouring their heart, passion and collective experience into the work, they have developed the company into a successful and respected global operation, ensuring that we consistently adhere to our motto: "Customer satisfaction is always number one".

Teak Paradise presents our assortment of garden furniture crafted from Indonesian teak wood – some made entirely of teak, while others join forces with materials like rattan and metal. This vast and versatile collection spans over living sets, sofas, coffee tables, chairs, benches and sun loungers, guaranteed to elevate all kinds of outdoor spaces.
