ABOUT US

Continuing decades of long-standing family tradition specializing and leading in the furniture industry in Scandinavia, the founders of Lio Collection, Christos Vasileois Liokouras and his wife Charlotte, have always adhered to their life-long paramount philosophy of “Customer Satisfaction is Always Number One”.

Having been active in the furniture industry for over 35 years based in Europe, sourcing and manufacturing worldwide, Christos and Charlotte foresaw that the future of the supply, sourcing and manufacturing element of the industry, coupled with the rapidly growing local economies, was destined to be in Asia. Thus, in 2006, Christos and Charlotte have taken the decision and proceeded with the relocation of the Company’s Headquarters from Scandinavia to the beautiful Island of the Gods - Bali, where talent and creativity are abundant and endless.

This move was made in order to enable Lio Collection to provide a better fully comprehensive and efficient service to its customers, being in proximity to sources of raw materials and manufacturing facilities, including Lio’s own state-of-the-art 12,000 M2 furniture factory, as well as its warehousing and distribution facilities in Java.

Over the years, Bali has developed into the “Showroom” of Indonesia’s versatile and exquisite creative industries, and Lio Collection is proud to be firmly positioned at its centre of activities.

Christos and Charlotte, together with the entire Lio Collection team, are looking forward to warmly welcoming you to our various showrooms, and to join our ever-expanding Lio family worldwide.

Christos and Charlotte
