
COLLECTION
THE ART OF
LAMP
ILLUMINATED BY A WARM LIGHT

LIO COLLECTION is a family-run furniture company founded by the Greek-born entrepreneur Christos Liokouras and his wife Charlotte. Our company is headquartered in the tropical island of Bali and we consist of a highly diverse and cross-cultural team of employees spread across Indonesia and Europe.

We work with heart and passion in everything we do. Whether that is when working with our customers, partners, and products as well as internally in our organisation.

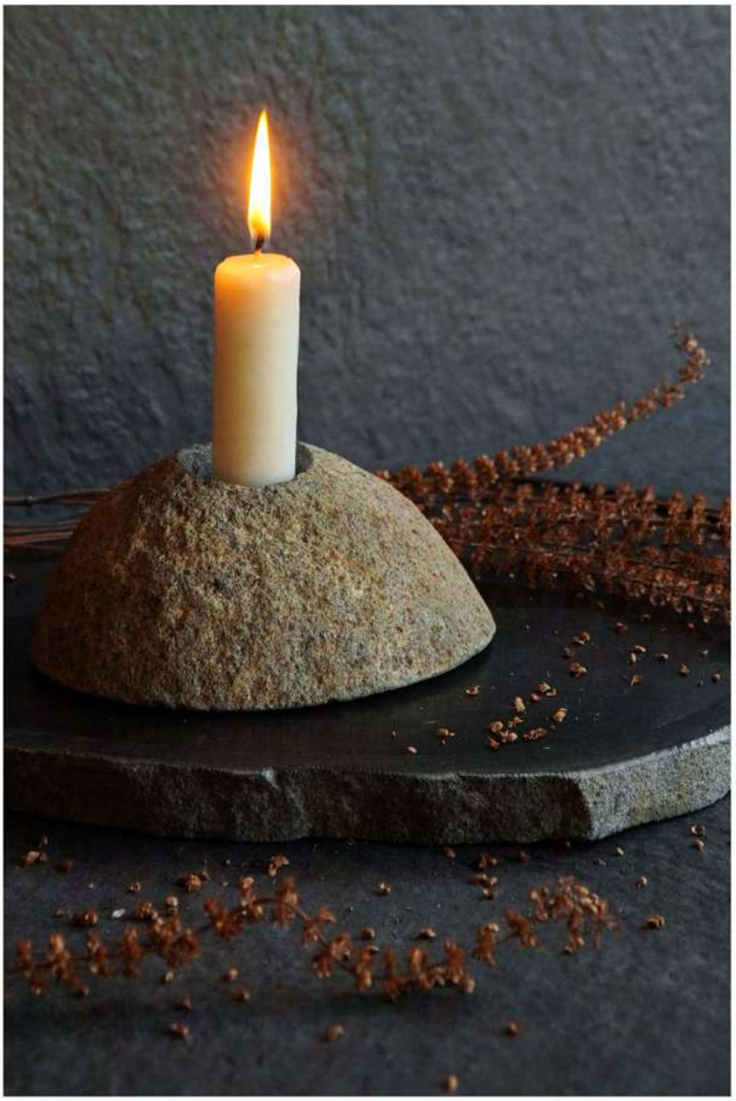

WELCOME TO OUR WORLD OF LAMPS
Our collection of lamps is handmade, and they bring charm and character into any room in any home. Our collection consists of floor lamps, bedside lamps, desk lamps, hanging lamps, wall lamps and more made in various shapes and sizes. The different designs are made to warm and light up your life.

AT LIO COLLECTION, we value nature and it's resources. We strive to use as natural materials as possible in the making of our items, but with the greatest respect for the nature and local Indonesian environment. On the basis of this, we constantly aim to create and develop lamps made from sustainable materials as well. Therefore, you may find a selection of lamps in the following catalogue that are made from recycled teakwood, glassandmetal as well as from rattan and bamboo.

LET US BRING A PART OF NATURE AND LIGHT INTO YOUR LIFE!
