The spirit of Bali

About

Lio Collection

Continuing decades of long-standing family tradition specializing and leading in the Scandinavian furniture industry, the founders of Lio Collection, Christos Vassilios Liokouras and his wife Charlotte, have always adhered to their life-long paramount philosophy of "Customer satisfaction is always number one".

Having been active in the furniture industry for over 40 years based in Europe, sourcing and manufacturing worldwide, Christos and Charlotte foresaw that the future of the supply, sourcing and manufacturing element of the industry was destined to be in Indonesia. Thus, in 2006, Christos and Charlotte made the move from Scandinavia to the beautiful Island of the Gods – Bali – where talent and creativity is endless.

This move enabled Lio Collection to provide a fully comprehensive and efficient service, being in proximity to sources of raw materials and manufacturing facilities, as well as warehousing and distribution facilities in Java.

Over the years, Bali has developed into the "showroom" of Indonesia's versatile and exquisite creative craftmanship, and Lio Collection is proud to be firmly positioned at its center of activities.

Christos and Charlotte, together with the entire Lio Collection team, are looking forward to warmly welcoming you to our various showrooms, and to join our ever-expanding Lio family worldwide.

Christos and Charlotte
