

LIO COLLECTION

Calma Collection

At the heart of every Lio Collection lies a simple, enduring belief: that the spaces outside our walls — gardens, terraces, patios, verandas — are just as worthy of warmth, intention, and beauty as the spaces within.

Founded by Christos and Charlotte, Lio Collection was born from a shared love of craftsmanship, a deep reverence for natural materials, and the desire to create furniture that doesn't just fill a space, but gives it soul. Inspired by their travels and life in Bali, the collection reflects the balance of simplicity and elegance, earth and artistry, structure and flow.

Based in the lush surroundings of Bali, Indonesia — where nature and design exist in quiet harmony — we craft furniture that invites people to gather, rest, and reconnect with the outdoors. Each piece is carefully crafted using enduring materials such as solid teak and handwoven rattan, chosen not only for their beauty, but for their resilience in open-air living.

Lio is not just about furniture. It's about atmosphere — the soft light through the trees, the hush of early mornings, the laughter that carries across an open table, and the slow hours spent doing nothing at all. It's about creating spaces that breathe, that welcome, that feel like home — even under the sky.

Through timeless design and thoughtful craftsmanship, we offer collections that embrace the natural world without compromising comfort or elegance. Whether for private homes, boutique resorts, or curated retail spaces, Lio is an invitation: to live slowly, beautifully, and always with intention.
